PARKING!!!

Sadly we have had numerous complaints from the local community about the parking near the school, especially at drop-off and pick-up times. Please be considerate, safe and careful at all times. Below are a few rules from the Highway Code that we all need to adhere to.

Safety tips for parking outside schools

When picking up or dropping off children at schools, you should do the following:

- Allow yourself plenty of time as the area is likely to be busy.
- Do not park on yellow zigzag lines and avoid parking opposite them.

If you decide to park further away, please be considerate of local residents and avoid blocking driveways or access ways.

Please— Set an example for your children. Stick to the safety tips.

They're for other children's safety as well as your own.

On Friday 20th September, Cheriton Primary School will be taking part in supporting 'Jeans for Genes' in order to raise awareness and funds for individuals and families affected by genetic conditions across the UK. You can find out more about the charity here: <https://www.jeansforgenes.org/funding-in-action>

All students and staff are invited to come to school in jeans, anything denim or anything blue on Friday 20th September and donate a £1. It is a full non-uniform day so pupils can wear their own choice of clothes in addition to their jeans/denim/blue items (but remember to wear sensible shoes and to bring a coat!)

Praying for Cheriton Primary School:

A small group of parents who pray are starting to meet once a month for a short time of prayer for the school. We plan to meet just once a month, straight after drop off, near the river, for 15 minutes or so to pray for our school, the children and staff.

If anyone is interested and would like to join please get in touch with Julia Wright.

School Age Immunisation Service

Get protected against flu

The Immunisation team will be coming to school soon to administer the flu nasal spray to the students.

Date Thursday 17 October

FLU: 5 REASONS TO GET PROTECTED AGAINST FLU

1. Protect your child - The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.
2. Protect you, your family and friends - Having the vaccine will help protect more vulnerable friends and family.
3. No injection needed - The nasal spray is painless and easy to have.
4. It's better than having flu - The nasal spray helps protect against flu and has been given to millions worldwide
5. Avoid costs - If your child gets flu, you may have to take time off work or arrange alternative childcare
