

School Council—2025.

Next week we will be electing the school council members. This is a group of elected members who represent the voice of the pupils to the teachers and the governors. Mrs Sillars explained in assembly on Monday that school councillors need to be good at listening to other people's ideas, need to be good at making decisions and need to be confident at speaking in front of a group of people.

There will be two school councillors elected to represent each year group. Anyone who would like to stand for election needs to make a very short speech to their class to say why they think they would be a good school councillor. Their year group will then vote for their representatives.

The council's first job will be to help to choose some new toys and resources for lunchtime and then apply to Friends for the funding for them! They will also be looking at our reward systems and thinking about how we collect and celebrate house points.

THANK YOU!

The staff would like to thank you all for the very generous gifts you gave to us at Christmas time.

We are so grateful for your kindness.

Swimming Lessons—KS2

Our first swimming session was on Wednesday this week, it was good as this is when we get sorted into our swimming groups.

The water was lovely and warm and the Instructors were really nice.

I am looking forward to next week.....

Sam D

It was my first visit swimming with the school. I loved it very much. When I was swimming I felt like I was dreaming because it was really fun.
