Thank you all who donated to the Little Princess Trust, we have raised a whopping £35 - thank you - Lucy B xx

Here is a little snippet of who you were donating to:

The Little Princess Trust is one of the largest charity funders of childhood cancer research in the UK. Since 2016, they have given funding to more than 100 clinical trials and projects looking to find kinder and more effective treatments for all childhood cancers.

This year is their 20th anniversary!!!!!!

It costs The Little Princess Trust £700 to provide one child or young person with a real hair wig and they currently help around 2,000 children every year, so let's do the maths... £1,400,000 - that's crazy ☐

This all means that every pound raised really helps them give Hair and Hope to many children and young people with cancer.
