

FAREWELL FROM MRS SILLARS.....

I'm not quite sure where a whole year has gone but it is time for me to pass the incredible honour of leading Cheriton Primary School on to Mr Castle. When I met with Mr Goldsworthy he told me what a special place the school is and I have to agree—it has been an absolute pleasure to spend time with your children, watching them grow in confidence and knowledge. They are kind, respectful and engaged individuals who really strive to do their very best both academically and socially. It makes me optimistic about what the future may hold for them all.

I cannot leave without recognising the incredible staff team here at Cheriton—working in a school as small as this is a very specific challenge and one that every single one of them rises to consistently every day. They go above and beyond to make sure that your children have the very best experience of school. Thank you too to the governors—this is a voluntary role that often goes unrecognised but the school has a fantastic group of people who also give generously of their time and support.

Thank you for making me feel so welcome; I leave taking very happy memories of the year with me. I know the school will continue to thrive with such a caring and supportive community around it.

Mrs Sillars

THANK YOU TO JUDES FOR THE DELICIOUS ICE LOLLIES.

Miniature Easter Gardens.....

The children were very lucky to have Rev Christopher and several parents come into school to help create some miniature Easter gardens for the church.

They were split into groups with the older children helping the younger ones, something we know our older children do very well!

The groups were observed by the organisers and the children who followed the School Values of Kindness and Collaboration were rewarded with an Easter Egg surprise.

The children rewarded with this surprise were Caleb, Marigold, Winnie, Savannah and Christopher.

CHERITON PRIMARY SCHOOL
BEFORE AND AFTER SCHOOL FEES AND BOOKING ARRANGEMENTS
Ofsted Registration: 115874

Below is an outline of the fees and booking arrangements for Cheriton Primary's Before and After School Clubs. These clubs are for children attending Cheriton Primary from Years 1 to 6. Children in Year F may be admitted to the clubs but this is at the discretion of the Head Teacher and dependant on numbers for staffing purposes; parents will need to request permission from the Head teacher for Year F children before making a booking. School Staff are currently club leaders and all our normal school routines and systems will apply e.g. first aid, child protection, the use of medicines etc.

Morning Sessions: 8am - 9am, cost £5, one week = £25

After School Session: 3.30pm - 5pm, cost £7.50, one week = £37.50

Sessions can also be paid for on a half term and termly basis (see booking form).

Booking Arrangements

We have tried to make booking your child(ren) onto the clubs as easy as possible. You can book a term in advance, half term or for a 2 week period.

- Please complete the booking form and return it to school at least one week before the booked sessions are due to begin.
- Full payment is required at the time of booking.
- Payment can be made by cash, cheques or online. Cheques should be made payable to Cheriton Primary School.
- Reminders for payment will be sent out at the end of week before a booking, prompt payment is necessary to ensure efficient running of the clubs.
- Bookings need to be made at least one whole week in advance. Please complete the booking form and return it to school. Additional forms can be requested from the school office.
- If you wish to cancel a session a weeks notice in writing is requested and then payment will be banked for a future session or returned at the end of the booked period.
- If your child will miss a booked session due to illness, please inform the school office immediately. There will be no refund but this session will be banked for future use.
- Where no prior notification is received no refund or banked session can be given.
- If you are late collecting your child a supplementary charge may be made to cover the cost of staff staying with your child until collection.
- It is the parent/carer's responsibility to register their child upon arrival in the school office for morning sessions and to sign them out on departure for after school sessions.
- If you require anyone else to collect your child, we must have authorisation in writing or by telephone before collection in line with the schools existing policy.
- Staffing levels currently allow for a maximum of 8 pupils at a session. Where the session is oversubscribed priority will be given to siblings of children already attending the session and then on a first come first served basis. If the club is oversubscribed staffing levels will be reviewed and if financially viable will be increased to allow pupils on the waiting list to attend.
- Fees will be reviewed on a termly basis and if increases are necessary they will be made at least two weeks prior to the start of a term.

On the 27th of March, Cheriton school council went to a 1 hour and 15 minutes tree planting service to help the local community. It was a fun and energetic activity and we had to use a range of tools and our mental skills to plant the trees without hurting them. It was a long process but worth it and we are very grateful that we got to plant trees from which, in a couple of years, we will be able to pick fruit. It's great to know we helped the trees get off to a good start.

We worked together and helped each other when someone couldn't do something or they were struggling. We all improved our teamwork skills in many ways such as: helping, sharing, using kind words and listening when the volunteers were talking

There was huge a variety of trees and our favourites were: the plum tree, pear tree, cherry tree, apple tree, with a little help from the volunteers who kindly helped us when needed. They showed us an example, told us the steps and what to touch and not to touch.

We are looking forward to seeing the trees grow.

Enjoy the outdoors but 'be tick aware'

Ticks can transmit microbes that cause infections such as Lyme disease or tick borne encephalitis.

Being tick aware by using the following information can help to reduce the chance of tick bites and of being infected:

- you could be exposed to ticks whenever you spend time outdoors, including when in your garden or the local park
- ticks mainly attach to animals, but sometimes they may bite you, your family or your pets
- you can reduce the chance of tick bites by walking on clearly defined paths, using insect repellent and performing **regular tick checks**
- ticks can bite anywhere on the body, including in your hair. More than one tick can be attached to you at a time
- some tick bites can result in infection, so it is important to remove ticks safely and as quickly as possible
- the safest way to remove a tick is by using a pair of **fine-tipped tweezers** or a tick removal tool
- if you begin to feel unwell with flu-like symptoms, persistent headache, confusion or develop a spreading circular red rash (which usually appears within 1 to 4 weeks after being bitten), **contact your GP or NHS 111 promptly**. Mention if you were bitten by a tick or have recently spent time outdoors
